Please join your colleagues in Austin for the 2016 Clinical Nutrition Management DPG Symposium: Aligning Nutrition Across the Continuum of Care

The continuum of care framework focuses on a seamless, comprehensive, integration of care which guides and tracks patients through a complete array of health services spanning all levels of intensity of care. Challenges related to shifting demographics of patients, the drive toward cost efficiency and the transition to value based reimbursement (focused on outcomes) rise among the pressures that assault the contemporary healthcare landscape. Understanding the role of nutritional professionals in clinical integration and care coordination, while seizing the opportunity to have presence at the decision-making table, at this critical time is imperative.

Please join us in Austin for the 2016 Clinical Nutrition Management Symposium: Aligning Nutrition Across the Continuum of Care.

In addition to the great education, the symposium provides an excellent opportunity for networking with peers from across the country.

Objectives:

• Gain insight, knowledge and skills to enhance leadership techniques to help workplace teams meet the demands of today’s changing health care environment.
• Learn strategies for optimizing the delivery of high quality care throughout the continuum of care.
• Identify current best practices to improve clinical outcomes, quality improvement and patient satisfaction.

Come join us in Austin for an exceptional educational experience. In addition to lecture presentations, there will be opportunities to network with other healthcare leaders, visit vendor displays, and explore the amazing city of Austin, Texas. We hope to see you there!

Who should attend?

• Clinical Nutrition Managers and Directors
• Chief Clinical Dietitians
• Directors of Food and Nutrition Services
• Educators of Clinical Nutrition Practitioners
• Consultant Dietitians
• Clinical Nutrition Practitioners
• Anyone interested in expanding their knowledge with a multitude of fresh topics and research
The secret is out. Everyone who visits Austin these days leaves with something
great to say. They can’t stop talking about their legendary live music, burgeoning
restaurant scene and unique culture. And a list of other things that you just have
to experience for yourself to truly understand what makes Austin so Austin.

**Austin is the Live Music Capital of the World®. What you hear is true.**
Years ago when people talked about Austin they would quickly mention the music.
But that’s just the beginning of what they’re saying these days. Austin is also home
to a wonderful ballet, world-class museums, one-of-a-kind shopping and beautiful
outdoor spaces. You can just as easily spend your morning paddling the lake as
you can strolling through a celebrated history museum.

With vibrant entertainment and culture, inspiring cuisine and stunning outdoor
settings, Austin lets you create a soundtrack all your own. They’re home to more
than 250 music venues and a vibrant arts scene. With 300 annual days of sunshine,
unbeatable urban parks and legendary Texas pride, they rarely need an excuse to
throw a party.

Nutrition-Focused Physical Examination
Saturday, April 16, 2016 • 7:00 – 11:30 a.m.
Price: $125 by 3/14/16   $150 after 3/14/16

Description:
Diagnosing malnutrition requires a comprehensive approach by the RDN. This workshop will first review the diagnostic characteristics of malnutrition as defined by the Academy of Nutrition and Dietetics and the American Society of Parenteral and Enteral Nutrition (2012). These characteristics include performing a nutrition-focused physical exam (NFPE) and RDNs need to incorporate this new skill into their practice. Participants will learn the NFPE through a hands-on workshop to include assessment of fat and muscle stores, presence of edema and examination for potential micronutrient deficiencies.

Speakers:
Peggy Hipskind MA, RD, LD—Cleveland Clinic
Marianne Galang RD, LD, CSO—Cleveland Clinic
Cindy Hamilton, MS, RD, LD, FAND—Cleveland Clinic

Learning Objectives:
1. Describe the Academy/ASPEN guidelines for diagnosing malnutrition
2. Evaluate muscle and subcutaneous body fat
3. Assess general and local fluid accumulation
4. Identify signs of micronutrient deficiencies

Workshop Schedule:
6:30 a.m.   Registration and Breakfast
7:00 a.m. – 8:00 a.m.  NFPE Lecture with Q&A session
8:00 a.m. – 8:15 a.m.  Video
8:30 a.m. – 9:30 a.m.  Individual Breakout Stations:
                      Micronutrient
                      Macronutrient
                      Etiology & Edema
9:30 a.m. – 9:45 a.m.  Break/Snack
9:45 a.m. – 10:00 a.m. Demonstration
10:00 a.m. – 11:15 a.m. Hands-on Participation

Real Austin Tour
Sunday, April 17, 2016 • 1:00 – 4:00 p.m. • Price: $65 per person
Discover the best of Austin. They call this their “Austin Bucket List” tour, as it gives visitors a great snapshot of the awesome city: getting dizzy looking up at the Capitol’s dome, taking photos in front of iconic landmarks and hanging out at cool outdoor galleries. They combine tourist attractions with off-the-beaten-track gems.

Along the way, you’ll . . .
• Chat about art, music, culture, food, history, parks, famous people and much more
• Discover secret spots, hear funny stories and decipher local legends
• Do our best to Keep “Austin Weird”
• Laugh a lot

Continuing Professional Education (CPE)
Clinical Nutrition Management (CNM), a Dietetic Practice Group (DPG) of the Academy of Nutrition and Dietetics, is an accredited Continuing Professional Education (CPE) Provider with the Commission on Dietetic Registration (CDR). 20 CPEUs have been requested for Registered Dietitians (RDS) and Dietetic Technicians, Registered (DTRs). Attendees may also claim up to two (2) CPEUs for attending exhibits and 3 for attending the Optional Pre-Symposium Workshop. Sessions will be offered as Level 2 or Level 3 training, with options for Learning Need Code categories provided onsite for Professional Development Portfolio activity logging.

The views expressed by the speakers are their own and not necessarily those of the Academy of Nutrition and Dietetics or the Clinical Nutrition Management DPG.

Handouts
The CNM Symposium has gone paperless! This paperless format means that there will no longer be an educational session handout book. Instead, all registrants will receive instructions after they have registered to attend the symposium on how to access session handouts. With this online format, speakers will have the flexibility to offer additional resources previously not printed in the handout book due to space restrictions and will allow attendees time to review educational session handouts prior to the symposium. Please be sure to download the handouts prior to traveling to Austin, as complimentary Internet will not be provided in the meeting room.

Ground and Air Transportation
The Hilton Austin is 7 miles, 20 minutes from Austin Bergstrom International Airport. Super Shuttle is available for approximately $15 one way and cab fare is approximately $30 one way.

Attire and Climate
Casual dress is recommended for the duration of the symposium. Please feel free to dress comfortably. Austin’s average April temperature runs from a high of 80 to a low of 58 degrees. Please be sure to pack a sweater or jacket, as hotel meeting rooms can be chilly.
Housing
A limited block of guest rooms is being held for CNM Symposium participants at The Hilton Austin, 500 East 4th Street, Austin, TX 78701. Please call the hotel directly at 512-482-8000 to reserve your room or make your reservation online at:

https://resweb.passkey.com/go/CNM16

To receive the special rate of $199 plus 15% tax per night, single or double occupancy, identify yourself as an attendee of the Academy of Nutrition and Dietetics program and make your reservation by March 14, 2016. Add $20 per night for triple occupancy. Should you need to cancel your reservation, contact Hilton Austin no later than 4:00 pm 72 hours prior to your scheduled day of arrival to avoid a one-night cancellation fee. Please make your reservation early to avoid disappointment, as a limited number of rooms are available.

Location that is walking distance to active areas of Austin: The Hilton Austin is located downtown, right in the heart of all the action. It is surrounded by the city’s most vibrant shopping, dining and entertainment scene. The famous 6th Street Entertainment District, Warehouse District, and 2nd Street District are all within a few blocks of the hotel. So while you are learning during the day, you can play in one of the safest and most exciting cities by night!

Registration and Cancellation

The full symposium registration fee includes admittance to all sessions, one reception, three continental breakfasts and two lunches.

Pre-registration is encouraged and must be postmarked or registered online on or before March 14, 2016 in order to receive the discounted registration fee. Register online at

http://www.cnmdpg.org/page/registration-information

Registrations received after Thursday, March 31, 2016 will be accepted on-site, space permitting.

Written requests for symposium registration refunds must be postmarked, faxed or e-mailed on or before March 28, 2016 to receive a refund, less a 20% processing fee. No refunds will be granted for cancellation requests postmarked after March 28, 2016. All cancellation requests need to be made in writing to: Pollack Meeting & Event Management, Inc., 1030 North State Street, Suite 5C, Chicago, IL 60610 or faxed to 312-475-1405 or e-mailed to pollackmtg@aol.com.

In order to be eligible for the DPG member discounted rate for the 2016 CNM Symposium, you must join the DPG before January 31, 2016. New DPG members will need to allow 3-5 business days for membership processing before attempting registration for the program as a DPG member.
